Three Top Speakers Slated For Commencements

The College has announced the names of this year's commencement speakers. Charles E. Inniss, Vice Pres. at Brooklyn Union Gas, will address the Div. of General Studies graduating class on Thurs., June 3, at 5:00 p.m. Graduates of the College of Arts and Sciences will hear Sister Mary Rose McGeady, D.C., Pres. and C.E.O. of Covenant House, on Fri., June 4, at 5:00 p.m. Bernadette Castro, Pres. and C.E.O. of Castro Convertibles Corp., will speak at the Suffolk campus ceremonies on Sat., June 5, at 11:00 a.m.

Mr. Inniss' responsibilities at BUG are in the area of Urban Affairs and Consumer outreach and education. He serves on several boards and committees including: The Brooklyn Children's Museum, the City University of New York, and the Catholic Interracial Council. He will receive an honorary Doctor of Laws from SJC.

S. Mary Rose recently took over the reins at Covenant House. She has served as Associate Exec. Dir. of Catholic Charities of the Diocese of Brooklyn, and as Exec. Dir. of both the Astor Home and Clinics for Children in Rhinebeck, N.Y., and the Kennedy Child Study Center in N.Y.C. Sister will receive the honorary degree of Doctor of Humane Letters.

Bernadette Castro, the little girl who won the hearts of Americans as she effortlessly opened her family's Castro convertible on television commercials is now a respected and savvy executive. She is the recipient of numerous business leadership and humanitarian awards. She was presented, this fall, with the "NAFFY" (Nurturing the Aspirations of Females for the Future) Award, and the 1992 Long Island Businesswoman of the Year Award by the Wharton School Club of Long Island. SJC is proud to present Ms. Castro with an honorary degree of Doctors of Laws.

Ms. Bernadette Castro

Legislative Connection

Once again, Senator Caesar Trunzo has come through for St. Joseph's College. Last year, the Senator obtained a $40,000 grant for two beautiful vans for the Patchogue Campus. This year, he has sponsored and received a $10,000 award for the Callahan Library which has enabled its Director, S. Agnes Meagher, to purchase a CD Rom workstation dedicated to business publications and periodicals in support of the burgeoning business and accounting majors.

Throughout his long and distinguished career as a legislator, Senator Trunzo has been singularly successful in representing the needs of his many constituencies. We are proud and grateful to be among them.

On another front, S. George Aquin and S. Mary Florence Burns, Academic V.P., met with Brooklyn U. S. Congressman Edolphus Towns to discuss legislative internship opportunities for SJC students.

Bishop Thomas V. Daily Visits Brooklyn Campus

Last month, S. George Aquin O'Connor, President of St. Joseph's College, welcomed the Most Rev. Thomas V. Daily, Bishop of Brooklyn, to the campus and escorted him on a tour of the facilities (photo left).

Bishop Daily celebrated mass in the auditorium for the College community. In presenting his homily, the Bishop asked students to give of themselves in service to others. He cited as an example his own brother who is a priest working with lepers in South America.

During his stay, Bishop Daily ventured into the Dillon Child Study Center where he received warm and playful greetings (photo right).

Alumni Rendezvous Club Holds First Reception

(Left) Joan Sullivan Cusack '69, Mary Ann D'Annunzio Witowski '69 (hostess) and S. Elizabeth Hill. (Right) Agnes Whelan McMonagle '48 and Alice Fitzgerald Harvey '44, former SJC hoopsters.

Sister George Aquin O'Connor and Sister Elizabeth Hill attended an Alumni Reception given by Mary Ann D'Annunzio Witowski '69 for alumni residing in the Bergen County area on Wednesday evening, March 10. Twenty alumni, from classes spanning the 1940's to the mid-1970's, gathered in Mary Ann's lovely home to chat and to catch up on "news".

Many alumni have inquired whether other grads live in their area. In an effort to find the answer, the Rendezvous Club was formed... an alum could hold a reception for graduates residing nearby. Other gatherings are being planned at the homes of Margaret Dwyer Minson '70 (Belle Harbor - July); Mary Brennan Mulvihill '64 (Westchester); Rosalie Tutino '59 (Hampton Bays - July) and Mary Mc Grover Peyton '57 (Garden City - Sept.-Oct.). If you are interested in joining this exciting new venture, contact the Alumni Office at (718) 636-6882.

Campuses A - Buzz

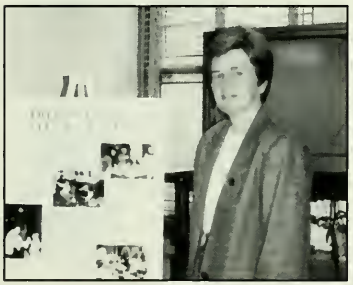
"Action" was the byword...and both campuses were alive with receptions, open houses and other exciting social events.

Leading the pack were the open house programs in Brooklyn and Patchogue which welcomed over 800 students, parents and friends to SJC where they learned all about campus life and career preparation.

Other gatherings included inductions into Phi Mu, St. Joseph's Chapter of the National History Society, Phi Alpha Theta; the Beta Upsilon Delta Sorority Brunch (Brooklyn); and successful Career Day programs which brought 65 corporations, hospitals and other businesses to both campuses to recruit from an eager group of students and members of the community.

The arts were represented with The Chapel Players' spring production of "The Prime of Miss Jean Brodie."

The Circle K Club (Kiwanis) held a Dance-A-Thon for the benefit of the Mid-Hudson Valley Camp (ESOPUS) which provides services for disabled and disadvantaged children and retarded adults. The Club donated over $3,000 to ESOPUS, the largest "outside" donation the camp has ever received.



S. Helen Kearney presents the Dillon Center's multi-faceted program.

Pfizer Visit

Recently, the College invited a group of managers from the Brooklyn plant of Pfizer Inc. Although science majors from the College have participated in a co-op program at Pfizer for four years, there were many aspects of the College unknown to Pfizer.

Corrine Gamper '79 (chemistry major), and Manager, Process Assurance, U.S. Pharmaceutical Group at Pfizer and a member of St. Joseph's faculty, was instrumental in arranging this gathering. Among the speakers were S. Helen Kearney, S. Rosemary Lesser, S. Mary Maier, Dr. Carol Hayes, Elizabeth McKaigney, and Dr. Thomas Travis.

Following the brief presentation, the group toured the campus, stopping at the Dillon Child Study Center and the science labs. A reception for the Pfizer visitors included additional faculty members and students from various academic departments.

General Studies Expands Summer Programs

Continuing Education

- The Continuing Education program at the Suffolk Campus continues to expand, offering a wide variety of non-credit courses and seminars. Beginning mid-May, approximately fifty workshops in management, supervision, health care, personal enrichment, computer skills and safety will be available to the general public as well as faculty, staff, and students.
- Professional continuing education credits approved by New York State Education Department Board of Accountancy will be available for practicing CPA's to fulfill their CPE requirement. SJC became a NYSED sponsor in January 1993. This program has been developed by Mary Chance and Alan Bock, both CPA's and both members of SJC's Business Department Faculty.
- SJC will continue to sponsor New York State Nurses' Association approved Continuing Education Units (CEU's) which are available for health professionals.

New This Summer

- A special series for children will include math, reading, science, dramatics, writing, art, sign language and wellness. Children ranging from kindergarten to sixth grade will be able to attend these classes during July. Pat Russo, an adjunct with the Child Study Department, coordinated this children's program.
- Those interested in receiving further information on any of the above programs should call (516) 447-3262.

Gerontology Professionals Gather at St. Joseph's

Currently, Gerontology Professionals of Long Island claims 273 members - 92 of whom are alumni or current students of St. Joseph's college. The organization has grown rapidly since it was founded two and a half years ago. Quarterly meetings are held at the Patchogue Campus and a newsletter, Prime Lines, is published four times per year and is edited by SJC's Carolyn Gallogly.

Primarily a professional support for those who work in the field of aging as health care providers, social workers, private business owners, and administrators, GPLI sponsors two functions. The first was a half-day conference on April 2, in Patchogue, at which time 14 distinguished presenters addressed the topic, New Careers in Gerontology. Among them were alumnae Susan Barrasso and Kathleen Mc Guinness.

In May, the Leadership in Gerontology award will be presented at the annual dinner meeting. Any alumni interested in joining GPLI should contact Carolyn Gallogly at (516) 447-3253.

Capital campaign UPDATE

Closing In On That $5,000,000 Goal.....

Alumni Phonathons

With every jingle of a volunteer caller's bell signaling another pledge to the campaign effort, the tote board figures kept rising...until...by 9 p.m. on March 2, the Annual Alumni Phonathon had hit a grand total of $51, 300 in contributions, surpassing the $50,000 goal set for that event. Forty-seven alumni, administrators, faculty and students joined in calling almost 1,500 grads. Other phonathons are scheduled for the next two months in an effort to increase the percentage of giving by alumni, as many corporations and foundations base their gifts in relation to the percentage of alumni contributions.

S. George, S. Kerry Handal '81 and her Mom, Mary Jane, '51 at tote board.

Brooklyn Benevolent Society

The Brooklyn Benevolent Society has awarded a $50,000 grant over a five-year period for students at the Brooklyn Campus who are in need of financial assistance. The Society has been a long-time, consistent supporter.

Trustees Luncheon

A great time was had by all!! And almost $15,000 was raised in support of the Brooklyn campus, as 100 friends of the College gathered for the 16th Annual Trustees Luncheon held at the Brooklyn Club on Monday, March 29, 1993. Under the co-chairmanship of Trustees Anthony J. De Brita, Senior Vice President of Brooklyn Union Gas, and William A. McKenna, President of Ridgewood Savings Bank, the luncheon brought together leaders from the corporate, financial, legal and civic arenas. Several business and accounting majors were invited to "network" and share with guests the SJC experience from a student's point of view.

Chrm. of the Brd. Thomas Doherty and Hon. Francis X. Egitto, Sr. Justice of Criminal Court.

Third Annual Golf Tournament

It's Spring...and thoughts turn to things green, fresh and beautiful. What better time to think GOLF?

Plans are well under way for the College's Third Annual Golf Tournament scheduled for Monday, June 28th, at Southward Ho! Country Club in Bay Shore. Chairperson again this year is Jean Tuthill, Suffolk County Treasurer, who is joined by William A. Gibney (Norstar Bank), Jay Starr (Chase Manhattan Bank), John T. Halleron III (Wrenn & Schmid) and trustee Mark Rose (Clare Rose, Inc.) in putting together a top flight committee and a first-rate tournament.

S. George thanks Joy and Mark.

Recently, Joy and Mark Rose hosted a sumptuous "Kickoff" Cocktail Reception for fifty committee members and other guests at their beautiful Blue Point home...on-the-bay.

If you are interested in participating in this year's tourney - either as a player or sponsor - please call the Development Office at (516) 447-3265. See you on the tee!

De Mark Named For D.C. Award

Eugene F. De Mark, Managing Partner of the Long Island Office of KPMG Peat Marwick, has been named honoree of St. Joseph's College Eleventh Annual Dinner Dance to be held Friday, October 22, 1993, at the Crest Hollow Country Club in Woodbury. At that time, he will receive the College's Distinguished Citizen Award in recognition of his many outstanding efforts on behalf of numerous charitable and civic organizations.

Mr. De Mark is president of the Nassau County Council of Boy Scouts of America and chairman of the Long Island Chapter of the Multiple Sclerosis Society. In addition, he currently serves on the boards of directors of both the Long Island Association (the region's largest business and civic organization) and the Long Island Forum for Technology (LIFT) and is treasurer of the New Long Island Partnership.

A life-long resident of East Meadow, Mr. De Mark and his wife, Carol, have two children, Dina and Christopher.

"We are delighted to have this opportunity to highlight Gene's many accomplishments," said S. George Aquin O'Connor. "He is a true blend of professional excellence and genuine compassion for others...values we share and cherish."

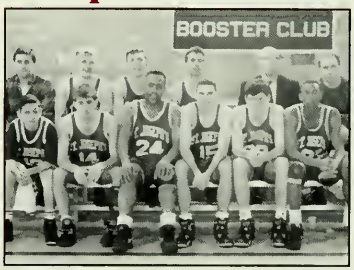
Brooklyn Bears Cap Season With Tourney Win

New York Newsday has said of the St. Joseph's Brooklyn Men's Varsity Basketball team, "The SJC Bears are successful - one of the year's most improved teams in the area."

It was only two years ago that newly installed head coach, Fr. Charles Sullivan, S.J., was looking for "a few good men". Having attracted players from Cathedral Prep, St. Peter's on Staten Island, Bishop Ford, and a few athletes who heard about the team from their friends, Fr. Sullivan has led the team to a series of upsets over Independent Athletic Conference teams such as Yeshiva, Bard, Polytechnic, and Stevens Tech, as well as Kings Point, Molloy, and Pratt. They ended their season by copping the Long Island Invitational Tournament Championship with wins over Pratt and Southern Vermont.

The team includes senior guard Brian Butler, who holds a 3.6 average academically and averages 10 points per game. Brian left the team last year to devote more time to his studies and to work in the police cadet corps where he is in the second year of an internship program.



Brooklyn Bears

Kevin Raynor, co-captain along with Brian, is the team's leading scorer with 18 points per game. "Ask any player on the team," says 6'2" Kevin, "and they'll tell you they came here to play basketball... and they are happy here."

Fr. Sullivan (right), hoopsters Kevin and Brian receive trophy from Patchogue Mayor Whitey Leavandosky

.....Bits 'N' Pieces.....Bits 'N' Pieces.....Bits 'N'

Bees, Trees and Me, a singing nature show, was presented by the Child Study Club (Patchogue) and featured live animals (a llama, goat, birds, alligators, etc.) as well as storytelling. It attracted over 150 children, parents and other "kids of all ages". Photo top right - Child Study Club members prepare six-week-old billy goat for "petting frenzy"...**Who's Who in American Universities and Colleges** announced the inclusion of 18 students from the Patchogue campus and 12 students from the Brooklyn campus into its 1993 edition...**Graile Mc Ginley '85**, owner of the well - known catering firm, Culinary Delights, and a certified fitness instructor and trainer, spoke at the last meeting of the Suffolk Chapter of the Alumni Association. This breakfast bash (photo bottom right) highlighted her teachings on nutrition and health which are a popular feature of the "Question and Answer" column she writes in Newsday...**Graduate School Open Houses** were held at both campuses sponsored by the College Offices of Counseling and Career Planning. Over 15 graduate schools sent representatives...**The Oona Haarenen Dance Company** performed a retrospective during a common hour at the Brooklyn Campus. Entitled "Eight Scenes From Infinity", the program featured dancers formerly affiliated with the Julliard School of Music and spanned the history of dance from the earliest days of ballet to contemporary modern dance. Ms. Oona Haarenen is a professor of dance at SJC...**S. Mary Maier and the SJC Science Club** traveled to White Plains for the Nichols Award Symposium honoring Professor Richard E. Commencements Spotlight Speakers and Grads

In June, SJC held three commencement ceremonies at two campuses, graduating a total of 657... and conferred honorary degrees on noted speakers Charles E. Inniss, V.P. at Brooklyn Union Gas, S. Mary Rose McGeady, D.C., Pres. and CEO of Covenant House, and Bernadette Castro, former Pres. and CEO of Castro Convertibles.

The Valedictorian for the Division of General Studies in Brooklyn was Mary Gigliello, Assistant Training Officer/Human Resources Specialist at the Brooklyn Public Library. A wife, mother, and grandmother, Mary is active in St. Athanasius parish in Bensonhurst, working with children with special needs. Her degree is in human resources.

S. George with summa cum laude grads, Stephanie Semonella and Janet Diaz

Janet Diaz, a child study major with a concentration in Spanish, served as Valedictorian at the Brooklyn Arts & Sciences ceremonies. A graduate of the College's presitigious Honors Program, Janet plans to continue her studies in the area of bilingual education. She currently resides in Sunset Park.

Valedictorian at the Patchogue Commencement was Michael A. Allers, an English major and a retired Suffolk County police officer from Oakdale. His wife, Camille, is a 1988 graduate of SJC. Patricia Christoffersen of Medford, a registered nurse, was Salutatorian. She received the B.S. in Nursing from the Division of General Studies. While a student, Patricia was actively involved in the College's B.S.N. Organization.

SJC SENIORS COP TOP AWARDS...HONORS...GRAD SCHOOL BIDS!

Almost 70% of SJC grads attend graduate or professional schools. This year's crop is no exception...the following are among the most notable.

Brooklyn Campus

Ursulina Bencosme, a chemistry major, has been accepted into six U.S. medical schools: Syracuse University of Medicine; Cornell University of Medicine; Boston University School of Medicine; the Health Science Center of Brooklyn (formerly Downstate); NYU Medical School; and the University of Rochester School of Medicine and Dentistry. She will attend Cornell.

Pre-law graduate Goetz Vilsaint received four law school offers - Hofstra University School of Law; SUNY/Buffalo School of Law; the Cordozo School of Law/Yeshiva University; and Widener University School of Law. He will go to SUNY/Buffalo.

Patchogue Campus

English major Michael Allers (Valedictorian) has six law school acceptances - Ohio Northern University Law School; Bridgeport Quinipiac School of Law; CUNY School of Law; Western New England School of Law; and Touro School of Law.

John Scarglato, a history major, will choose between CUNY School of Law and the School of Law at Pace University

General Studies

In G.S., the top Brooklyn graduates were Mary Gigliello, Catherine Dhuy-Volk, and Thomas Nizza. Patchogue leaders were Patricia Christoffersen, Ann Matalom, and Margaret-Mary Stewart.

Lisa Basirico (center), summa cum laude grad, is congratulated by S. George and Ms. Castro

Mary E. Farrell Retires As Alumni Director

(Left) Mary E. with S. George Aquin. (Right) Mary E. with her sisters, also alums, Frances and Eleanor.

Whoever coined the phrase "One in A Million" must have had Mary Elizabeth Mc Loughlin Farrell, '35, in mind. After 26 years of service as SJC's Director of Alumni Relations, Mary E. (as she is affectionately known) is retiring...to write her memoirs, we hope...and she will be missed. However, we have persuaded her to continue as editor of *Alumnagram*.

After graduation, Mary E. brought her creativity, energy and incredible "smarts" to a number of top corporations in NYC as an artist, writer, and editor. In 1942, she was commissioned by the U.S. Navy as a Communications Watch Officer. So - we won the war. Mother of seven, grandmother of twelve, dedicated alumna, talented colleague...one in a million...Mary E.

Dr. Boykin Travels

Dr. Lorraine Boykin, Chairperson of the Community Health Department, brings a global dimension to the college which assures quality education in the classroom. She has lectured extensively internationally in the areas of nutrition, aging, and chemical dependence.

Dr. Boykin has just returned from the Ninth International Conference on AIDS/HIV held in Berlin from June 6 to June 12, where she presented her abstract, "Lay Leadership Teaching of Nutrition in HIV/AIDS" and she attended, by invitation, a caucus on natural and traditional medicines relevant to AIDS/HIV. Dr. Boykin will be collaborating with a representative from Hamburg, Germany on "AIDS/HIV and Women Around the World".

Recently, Dr. Boykin spoke on nutrition at three international conferences, one in Amsterdam (July 1992), where her paper "Nutrition in AIDS/HIV" was accepted for publication...the others in Jerusalem and Atlanta, GA.

Gordana Ozimec with her mentor, Dr. Rana

SJC Grad Publishes Work

In Croatia, her grandmother uses it as medicine - in America, it is just another plant. So - the naturally inquisitive Gordana Ozimec, a recent immigrant from that troubled land, conducted her senior research in biology on "Growth Inhibitory Effects of 'Tilia Americana' on Microorganisms and Higher Plants".

Gordana presented her research paper in May at an international conference hosted by the Intercollegiate Graduate Program in Plant Physiology at Penn State. Once recovered from the shock that she was a mere undergrad, Penn State invited Gordana to publish a manuscript for their Symposium in Plant Physiology.

Gordana graduated from SJC in June with a B.S. in biology, cum laude.

S. George Aquin Appoints New Alumni Director

Margaret Dwyer Minson, '70, has joined the College as Director of Alumni Relations effective July 1st. Margaret has been working part-time in the Alumni Office, "learning the ropes" from the retiring director, Mary E. Farrell.

An adjunct professor in the child study department at SJC since 1990, Margaret also taught at St. John's Prep and served as Fund Drive Director there. Prior to that, she was a teacher with the New York City Board of Education for seven years.

While a student at SJC, Margaret was secretary and treasurer of the Undergraduate Association. After graduation, she earned a master's degree from Brooklyn College.

Margaret and her husband, businessman Arthur Minson, reside in Manhattan and Belle Harbor. They have four sons - Artie, Jack, Eddie, and Patrick.

Golden Grads Reception - Fall Luncheon Slated

Calling all Golden Graduates...A reception for the Golden Graduates Society, an honored group of alumni who have graduated 50 or more years ago, will be held on Sunday, September 26, from 2-5 p.m. at the Brooklyn Campus.

The Alumni Fall Luncheon, this year co-chaired by Mary Jane Hawkrigg Handal '51 and her daughter, S. Kerry Handal, C.S.J. '81, is slated for Saturday, November 6, at The Westbury Hotel in Manhattan.

In addition, regional alumni receptions are scheduled for Westchester and Garden City this fall. If you are interested in attending or hosting a reception in your area, please notify Margaret Minson, Director of Alumni Relations, at (718) 636-6882.

The schedule of alumni activities for Fall 1993 is still in formation. According to Margaret Minson, "We anticipate a busy season and we hope you will join us to catch up on news of your friends and the College."

S. Teresa Avila and Susan Burke

Happenings At Brooklyn

Spring has been a happy and eventful time at the Brooklyn Campus.

• "Senior Class Week" was held in honor of the graduating class. Activities included the "Spirit of New York" brunch cruise, a trip to Atlantic City, a theatre outing to "Phantom of The Opera", and an afternoon at Great Adventure.

•The new Undergraduate Association Officers for 1993-1994 are Christopher Zunno, President; Heather Costanzo, Vice President; Donna DeGeorge, Secretary; and Susan Kennedy, Treasurer.

•Alumni Association President, Susan Burke, '68, addressed the graduating class at the senior reception held in May.

Distinguished Faculty Celebrate Silver Anniversaries

Last month, S. Jean Marie Amore, Academic Dean at the Suffolk Campus, and S. Rosamond O'Keefe, Assistant Professor of Psychology, were cited for special recognition upon the completion of 25 years of service to SJC.

S. Jean Marie came to the College in 1966, as a Graduate Assistant in the Pre-School. When she received her Master's Degree from Teacher's College, Columbia, in 1968, Sister was appointed to the child study faculty. She received her doctorate in 1976, and promptly was appointed chairperson.

Her qualities of intelligence, leadership and compassion enabled her to develop innovative policies and procedures and initiate and expand curricular offerings which kept the College in the forefront in the field. These qualities served her well when she assumed the role of Academic Dean for the Suffolk Campus in 1985...as is witnessed by its continued growth and development.

S. Rosamond's career at St. Joseph's has been characterized by her fresh and thoughtful approach to her subject matter, her creativity, and her ability to keep current in this most demanding discipline. For 17 years, Sister served as chairperson of the psychology department, developing a strong curriculum and building up a well-qualified faculty. Her service to the College throughout the years includes membership on a number of internal committees and participation in external programs, seminars, professional organizations and boards which have brought recognition to SJC.

Sister Rosamond holds a Master's Degree from St. John's University and a professional diploma in school psychology.

ST. JOSEPH'S COLLEGE
Capital campaign UPDATE

YOU MADE IT!! $5,000,000 ... Plus

At the May meeting of the Board of Trustees, Sister George Aquin announced that with the end of the fiscal year more than a month away, the $5,000,000 goal of the five-year New Horizons Capital Campaign had been reached...and surpassed.

This success should be treasured by each and every one of you who have supported this extraordinary effort. We congratulate you and we thank you on behalf of the students who directly benefit from your generosity.

The Campaign received added impetus in the last few months through some notable gifts.

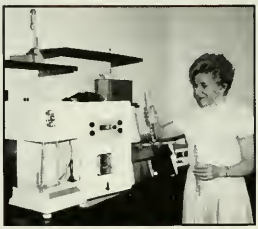
Grumman Corporation -

Sharon Grosser, Manager of Community Support Programs for Grumman, notified SJC that its Contribution Council approved a long-term agreement in the amount of $25,000 to be paid over five years to support the Grumman Intervention Financial Trust Program which assists students who suffer unexpected financial difficulties.

Sharon Grosser, Grumman

Pfizer Corporation -

After top officials visited the Brooklyn Campus earlier this year, they approved gifts of equipment to both the biology and chemistry depts. totalling over $56,500. Many SJC alumni are employed by Pfizer, among them Corinne Gamper, '79, Process Assurance Manager.



S. Mary Maier (Chemistry) with some Pfizer equipment.

Chase Manhattan Bank, N.A. -

Sister Grace Edna Rowland, Director of the College's Clare Rose Playhouse, has received a $1,000 Neighborhood Grant for the "Spotlight on Children" Program.

Mr. Leonard Lowenthal -

A friend of SJC's biology dept., Mr. Lowenthal recently donated over $17,000 in laboratory equipment, including such items as a Biodata CP-8 Coagulation Profiler and J.T. Baker Platelet Counter and Centrifuge for the Platelet Counter.

"EARLY BIRD SPECIAL" - WIN A WEEKEND AT GURNEY'S.....

Through the generosity of alumna Virginia Cleary, '40, and her son, Dr. Joseph Cleary, SJC will hold a special drawing on September 15th. For each pledge or payment of $100 to the 1993-1994 Annual Appeal, the donor will have one chance to win.....

A 4-day, 3-night stay
(Friday, October 15 (3 p.m.) - Monday, October 18 (Noon))
at the luxurious Gurney's Inn in Montauk.

This includes ocean-front accommodations in a time-share unit which sleeps four...(a double bed and a convertible couch). Meals not included.

For example, a $100 gift = 1 chance, a $500 gift = 5 chances.

The winner will be notified on Friday, September 17th.

Good Luck!!

Looking Ahead.....

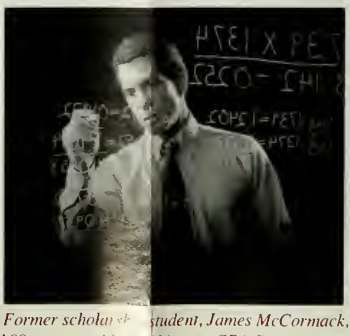
"Growing a college" is much like "growing a child". You no sooner provide for current needs when future exigencies rear their heads and demand your attention and renewed efforts.

And -- so -- as SJC celebrates the successful conclusion of the New Horizons Campaign...which helped build a new library in Patchogue, renovate and update major areas of the Brooklyn Campus, and provide much-needed scholarship and financial assistance to numerous deserving students...it looks to the future and has no difficulty finding new goals, new challenges, new dreams - for the year 2000... and beyond.

All agree that the most important phase of any long-range plan for SJC must focus on endowment...funding today which will grow to provide the resources needed to keep the College vibrant and viable well into the future.

Scholarship endowment is especially critical if we are to compete with neighboring colleges and continue to attract top academic candidates. This need becomes more acute each year as two major areas of support, NYS Direct Institutional Aid (Bundy Aid) and the contributed services of religious faculty and administrators, continue to dwindle. In fact, Bundy Aid alone has been cut back from almost $1,000,000 per year to SJC in 1990, to an anticipated $200,000 for this year.

But, dream we will...and plan we must - we will keep you posted....



Former scholarship student, James McCormack, '89, now president of his own CPA firm

SJC's Third Annual Golf Tournament - A Winner!!

On June 28, 136 happy golfers "got into the swing" at SJC's Third Annual Golf Tournament held at Southward Ho! Country Club in Bay Shore. More than $48,000 was raised for the College's scholarship and athletic programs.

Serving for the second consecutive year as chairperson was Jean Tuthill, Suffolk County Treasurer.

Richard Minieri, Jr. (AABCO Sheet Metal) -- Going for the hole in one...and the Ford Probe.

Riding to glory...Pat Fenley, Janet Schreiber, Roseann Brancato and Muriel Smith.

Trustees Tony DiBrita (left) and Mark Rose (right) with S. George and S. Elizabeth Hill at the luncheon.

Extebank's Donald Roth heads for first tee with Jean Tuthill, Suffolk County Treasurer and Chairperson of the Tournament, Barbara Townsend and Scott Swain.

Jay Starr (Chase Bank) presents raffle prize to Tim Moran (Dorson Sports), a major donor to the Tourney.

Fleet Bank's Bill Gibney, announces top golf awards.

Board Reviews Needs—Focuses on Endowment

On June 30, the New Horizons Capital Campaign reached a successful and gratifying conclusion. In reviewing the results of that effort at its last meeting, the Board of Trustees continued its study of current and long-term needs of the College.

One of the urgent needs is to build the overall endowment, which currently stands at a modest $500,000. Endowment for scholarship and financial aid grants at both campuses is among the most pressing areas of concern.

This emphasis has emerged from a number of dynamic circumstances: the continuing rise in enrollment in Brooklyn and Patchogue; the College's commitment to maintain the lowest tuition rate possible; declining federal and state funding; the development of new academic programs; and the gradually diminishing percentage of total annual revenues represented by the contributed services of religious faculty and administrators. These revenues traditionally help to fund student aid programs.

In response to the Trustees' call for a focused effort to increase endowment, the 1993-94 Alumni Fund Drive is encouraging alumni contributions to be dedicated to this purpose. In addition to a direct mail appeal, two phonathons have stressed the need for alumni gifts for endowment at both campuses. To date, over $100,000 has been received in gifts from alumni.

The Annual Development Fund Drive which reaches out to corporations, foundations, and friends also has endowment as a primary target.

Challenge Grant

A major catalyst in the push for endowment has come from The Louis Calder Foundation which has offered a Challenge Grant of $250,000 over a three-year period to be matched by the College with contributions totalling $500,000 over that same period of time. The income generated by the $750,000 endowment will be used to aid "...academically talented and financially disadvantaged students from the City of New York."

"We are grateful to the trustees of The Calder Foundation for their support of our efforts to assist promising students who otherwise would be unable to pursue a college career at St. Joseph," said S. George Aquin.

In addition to endowment, the newly created Visions Committee of the Board has a number of other pressing issues on its plate, such as space utilization and expansion, new programs and faculty development.

Trustee Elected

Peter Maguire, President of P.C.M. Construction and long-time friend and benefactor of St. Joseph's College, has been elected to the Board of Trustees. Distinguished leader in the business and civic communities, Mr. Maguire currently serves as Vice President of the Brooklyn Navy Yard Industrial Coalition. In addition, he lends his expertise and enthusiasm to the ranks of the Knights of Columbus and to the International Union of Operating Engineers.

Carol Sullivan, Director of Financial Aid, counsels a student.

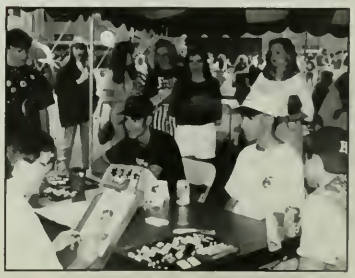
Highest Enrollment Ever At Both Campuses

The College now reports its largest enrollment ever—3,182 students at both campuses, a 9% increase over last year, including Arts and Sciences and the Division of General Studies.

At the Suffolk campus, the total student population has grown to 2,039, a 5.5% increase over last year and a whopping 42% increase in the last ten years. In Brooklyn, enrollment has had an even more dramatic rise, increasing 19% over last year—now totaling 1,143.

Overall, the Division of General Studies grew a total of 13.4% (both campuses) since last year, with the Nursing Program reporting a surge of 13% in Patchogue and 108% in Brooklyn.

"We are encouraged that students are taking advantage of the many benefits derived from attending a commuter college," notes S. George Aquin. "Our continuing growth is a tribute to our fine faculty and alumni who have established for us a tradition of excellence as they pursue their careers and live their personal lives."



Students "get the picture" at orientation.

Especially For Children Continues This Fall

The Suffolk Campus Division of General Studies is continuing "Especially For Children and Young People", a Saturday morning program offering courses for students in grades 1 through 9, from October 30-December 18.

This enrichment program, begun in the summer, has expanded to include reading and math assistance sessions to reinforce skills learned during the school day.

All courses are taught by New York State certified teachers in a caring atmoshpere, with a focus on the child.

Enrollment has doubled since the summer. Currently, 82 students participate. Program Coordinator Pat Russo is thrilled with the overwhelming response. "I am pleased to be working with St. Joseph's and the community to provide assistance to school age children and young people."

Hochberg Scholar Named

Christopher Regina has been named the 1993-94 Charles Hochberg Scholar. A sophomore and Bishop Ford H.S. grad, Chris has displayed superior qualities of leadership and dedication, both at St. Joseph's and in the community.

Free time is something of a luxury for Chris—not only is he the president of the Political Affairs Club, but he is also a member of the Admissions Club and Circle K. In addition, he is a peer counselor, a Student Senator and a member of the Psi Phi Omega Fraternity. Somehow Chris manages to find time to work in the rectory of his parish, Holy Name of Jesus. Through it all, he has earned himself the reputation of being an "excellent student"...making the Dean's List each semester by maintaining a 3.94 GPA.

The Charles Hochberg Scholarship has been established in memory of SJC Trustee Stephen Hochberg's late father who exemplified the educational and moral values cherished by St. Joseph's College. Christopher Regina, through his tireless efforts and relentless energy, has truly earned this award.

"Nunsense II...The Second Coming."

In The Limelight

The spirit of Christmas took to the stages at both campuses this holiday season. The Chapel Players presented the Broadway hit, "Side by Side by Sondheim", at the Brooklyn campus on November 19 and 20. The musical revue roused the audience into a pre-holiday mood of joy and goodwill.

In Patchogue, "The Nerd" evoked laughter and sympathetic frustration for the leading character whose life is saved by a well-intentioned nerd—the worst kind! S. Grace Rowland, Director of the Clare Rose Playhouse, is currently ushering in the Christmas season with "A Wonderful Worldful of Christmas".

Upcoming productions at the Clare Rose Playhouse: "Nunsense II"—Feb. 25-March 13; "A Moon for the Misbegotten"—May 6-22; "Barefoot in the Park"—July 8-24.

College-Wide Governance Study Underway

As part of SJC's 1992 Middle States Self-Study Report, the Task Force on Governance recommended that the College undertake an overall review of governance with an eye to possible revamping and restructuring.

Recently, the Board of Trustees has spearheaded this effort by establishing a Board Committee on Governance made up of representatives from the Board, Administration and Faculty. Representing the Board on this committee are Dr. Frank Macchiarola, Mrs. Mary M. Lai and former Chairman, Frederick T. Shea, Esq. Administration members include S. George Aquin O'Connor, Pres.; S. Mary Florence Burns, Academic V.P.; and S. Jean Marie Amore, Academic Dean for Suffolk. S. George appointed the following faculty members who had been elected by their colleagues: Dr. William Bengston; Dr. Raymond D'Angelo; S. Loretta McGrann; and S. Rosamond O'Keefe.

This Governance Study Committee held its inaugural meeting on Oct. 7 at the Brooklyn Campus. Administration and faculty representatives presented individual reports at the Oct. 27 College-Wide Planning Day in Patchogue at which time a number of other issues were discussed concerning the appropriate role in governance of the different constituencies of the College.

Future study will include review of the effectiveness of existing committees; methods of decision-making; communication of decisions; and possible new vehicles of governance.

There was consensus that the college community wishes to foster a continuation of openness and greater participation.

New York Telephone Awards Grant To SJC

The New York Telephone Company has selected St. Joseph's College as one of 20 recipients of their 1993 Excellence in Education Award. The gift of $20,000 will be used for St. Joseph's financial aid program, preferably for students enrolled in the teacher training program for grades pre-kindergarten through grade 12.

The award acknowledges schools which offer educational opportunities to working adults, the disabled and the disadvantaged. In addition, New York Telephone seeks projects or programs which demonstrate a commitment to the systemic change of our national education system.

SJC was chosen because it enhances the process of education through personal interaction among faculty and students.

Alumni Show School Spirit at Homecoming

St. Joseph's alumni proved they still have team spirit when they showed up on Homecoming Day, October 16, to play in several athletic tournaments. Whether they hit the ball with a bat, a racquet, or their feet and heads, they put on winning performances.

The alumni soccer team played against the Golden Eagles varsity soccer team, winning 2-1. Most of the players are recent graduates and seemed to pick up where they left off only one, two or three years ago. "Hey, Coach Smith! Bradley's not starting me!" shouted one player. "That's his smartest move yet!" Coach Smith bellowed back.

The alumni baseball teams displayed the same sense of humor and congenial competitiveness on that crisp Indian summer day. At the top of the ninth inning, however, a definite chill had crept into the afternoon air, so the MVP award was presented none too soon. Coach Mike Palermo called all the players around the pitcher's mound to present the award to Fran Rogalle '89, who pitched two scoreless innings of relief.

Tucked between these two games was the tennis tournament. The teams were comprised of students, faculty and alumni who played against each other in both singles and doubles tournaments. The Gold Team, which included Tim Edwards '91, topped the White Team 31-18, in spite of the challenge put forth by Kevin Walsh '91 and Gina Chimienti '93.

Playing and spectating whetted their appetites so everyone piled over to the central table where hearty food was served to all. The baseball teams and their guests held a special reception afterward at the Pulanski Hall in Patchogue.

We look forward to next year's challenges and the chance to join together as a team again. It's not too soon to start planning!

Baseball Coach Mike Palermo presents the MVP Award to Fran Rogalle '89.

Tally-Ho Phonathons!

On your phones...get set...go! The 50 phonathon volunteers who met in Garden City, on October 7, meant business. With a goal of $40,000 to reach in approximately three hours, there wasn't time for fooling around. Yet, somehow, the harder they worked, the more fun they had.

Some of the highlights included several thousand-dollar pledges. However, even ten-dollar pledges were fuel for the fire which kept the phonathon engine running at full steam. The alumni volunteers would not rest until they met their goal. The total landed at $44,265 just two minutes after nine o' clock.

The Patchogue phonathon was held on November 4 and raised $5,205.

Chairpersons Patricia Luciana English '72 and Valeria Wertz Quinlan '70, and S. George Aquin proudly display the final tally.

Alumni Fall Luncheon

Was it the good food, the great company, or the elegant surroundings? Whatever the reason, the Annual Fall Luncheon was a delicious success. Much of the credit goes to Maryjane Hawkrigg Handal '47 and her daughter, S. Kerry Handal '81, who chaired the event. Pictured above, S. Joan de Lourdes Leonard, former professor of history at St. Joseph's, is congratulating Maryjane on her success, before saying grace.

The alumni, which totaled approximately 200, found time to socialize during the cocktail hour and at the alumni boutique before the luncheon began.

The Hotel Westbury in Manhattan provided gracious and tasteful surroundings and food. A perfect choice!

Plans for Upcoming Alumni Events Underway

Recently appointed to her position as Senior Administrative Assistant for Alumni Relations, Christa Reilly '89 encourages Patchogue alumni to attend the alumni meetings, held on the first Thursday evening of every month.

At the last meeting on October 14, the idea of a walk-a-thon in the spring generated a great deal of enthusiasm among those present at the meeting. To get this off on the right foot, Dr. Frank Favazza '87 will speak at the next scheduled meeting on December 2, about the overall health benefits of a walking regimen. It also provides the perfect training program for the upcoming walk-a-thon next spring.

Before spring arrives, the Clare Rose Playhouse will present the much awaited comedy, "Nunsense II". Combined with a Sunday brunch at a fine local restaurant, the event will be offered to alumni as a package deal on February 27, 1994. The brunch and matinee combination has proven successful in the past and we expect a sold-out performance. As S. Elizabeth Hill, Executive Assistant to the President, stated at the meeting, "If it's about nuns, it must be good!"

If you are interested in any of these events, or would like to suggest some, call the Patchogue Alumni Office at (516) 447-3215.

The Brooklyn campus also has an agenda of events for the upcoming months:

- On December 6, an alumni gathering will be held in Manhattan at the home of Alumni Director Margaret Minson '70.
- Another gathering will be held in Fairfield County, Conn., tentatively scheduled for the spring.
- If you plan to be in Florida during the month of March, please notify Margaret Minson '70 at the Brooklyn Alumni Office, (718) 636-6882. She plans to hold a reception in Fort Lauderdale at the end of March.
- April 16, marks the date of the annual Alumni Spring Luncheon at the Garden City Hotel.
- The Class of 1969 is already making plans for its upcoming 25th anniversary. Anyone wanting to participate or learn more, should contact Margaret Minson at (718) 636-6882.

St. Joseph's College Eleventh Annual Dinner Dance

Lions, tigers and bears. Oh my! No, it's not the Land of Oz...it's St. Joseph's College Eleventh Annual Dinner Dance honoring Eugene F. DeMark, Managing Partner of the Long Island Office of KPMG Peat Marwick.

Gene's wife, Carol, and their two children, Dina and Christopher, looked on with pride as Gene received the College's Distinguished Citizen Award from S. George Aquin.

The extraordinary efforts of the General Co-Chairmen, Lawrence J. Waldman of KPMG Peat Marwick and Kenneth J. Daley of Chemical Banking Corp., and their enthusiastic committee helped to raise more than $175,000 for the College's Scholarship Fund. With almost 500 attending, the evening was alive with excitement, as all enjoyed spectacular performances by Chez-zam and the Paul Hefner Orchestra. This year's gala was held, once again, at the elegant Crest Hollow Country Club, Woodbury, N.Y.

Women's Athletic Programs Shine At The Patchogue Campus

The Women's Volleyball Team bumped, spiked and served its way to the first CACC Conference winning season. Coach Cynthia Krejci saw the team place third, a first in the history of the Women's Volleyball Team. Despite two serious injuries, the Lady Golden Eagles finished their season with a record of 12-9, the first winning season since 1989.

While the Women's Volleyball Team was working on finishing its season, the Women's Tennis Team was also busy serving up some winning shots. Led by Coach Wilma Mulzoff, the Women's Tennis Team proved to be a threat as they ended Bard College's five-year reign as District Champions by defeating them 13 to 7. Individual honors in singles and doubles went to Bard, but the Team Championship for 1993 belongs to St. Joseph's! This District 31 Championship win is the first achieved by an SJC women's sport program. The ladies have now qualified to play in the NAIA National Championships in May held in Tulsa, Oklahoma. Good luck, Ladies!

Golden Eagles Soccer Team Co-Captains Mike Reilly and Greg Armstrong proved to be true leaders as the Men's Soccer Team finished the season with a record of 9-10-1, good enough to make the Playoffs for the fourth time in the last 5 years. Coach Gary Smith is proud of the sportsmanship and outstanding performance of the team, mainly comprised of freshmen and sophomores.

Chemical's Frank Lourenso Joins St. Joseph's Board Of Trustees

The Chairman of St. Joseph's College Board of Trustees, Thomas A. Doherty, Chairman, President, and CEO of Fleet Bank, recently announced the election of Frank Lourenso to the College's Board. Mr. Lourenso is Executive Vice President in charge of Chemical Bank's Middle Market Banking Group.

Mr. Lourenso began his career at Chemical Bank in 1963, as a management trainee, and since that time has been elevated to a series of increasingly responsible management positions within the Chemical organization. Chief among them have been his promotions to Senior Vice President in charge of the Bank's Brooklyn, Queens, and Staten Island Division in 1983, with responsibility for the L.I. Division added in 1985. In 1986, he was named to head the middle market activities of both the Brooklyn-Queens-Staten Island and Long Island Divisions.

Mr. Lourenso was appointed Exec. V.P. and head of Chemical's Middle Market Banking Group in 1990...and upon completion of the merger of Chemical Banking Corp. and Manufacturers Hanover Corp., on Dec. 31, 1991, he became head of the new Middle Market Banking Division.

Active in his community, Mr. Lourenso is a director of Family Services Association of Nassau County, is a member of the Tilles Center Council of Overseers, and is on Baruch College's Advisory Bd. He resides with his wife, Irene, in Manhasset, N.Y.

Chief Economist, Humanitarian & CEO To Speak At Commencements

Dr. Irwin L. Kellner

Dr. Irwin L. Kellner, Chief Economist of the Chemical Banking Corporation, will speak at the Patchogue campus commencement exercises. Twice recognized by **Business Week** magazine as the most accurate forecaster of the year, he was named "Number One Prognosticator" by **Institutional Investor** magazine, and ranked among the top five interest forecasters by **The Wall Street Journal**.

Dr. Kellner also served as senior research analyst with William Esty Co., and research analyst for Philip Morris, Inc.

Sister Isolina Ferre

Sister Isolina Ferre, M.S.B.T., a 1959 graduate of SJC, will speak at the Brooklyn campus Arts and Science graduation ceremony. Sister Isolina, who resides and works in Ponce, is the Executive Director of a program that provides health care and counseling to women and children in Puerto Rico.

Sister Isolina is the recipient of the 1992 AARP's Andrus Award for her work in deliquency prevention. Her impressive accolades also include the 1989 Albert Schwietzer Prize for Humanitarianism.

Wesley D. Ratcliff

Also at the Brooklyn campus, the speaker for the Division of General Studies will be **Wesley D. Ratcliff**, the first President and CEO of Advanced Technological Solutions, Inc.

Mr. Ratcliff holds a B.S. in Math and Physics from Prairie View University, and an M.S. in Math from the University of Houston. His professional experiences include serving as a Lieutenant in the Armed Forces, and joining NASA as an Aerospace Engineer, where he performed significant work on the United States moon missions.

New Alumni Coordinator At Patchogue

Jo-Ann During has assumed the position of Alumni Coordinator at the College's Patchogue campus.

Miss During began her professional career by working at a public relations and graphic arts agency where her accounts consisted of corporate and scholastic institutions. After handling community relations for several public school districts, she elected to specialize in educational journalism and public relations. Miss During brings to her new position more than five years of experience in her chosen field. In addition, her educational background includes an Associates Degree of Applied Science in Broadcast/Telecommunications and a B.S. in Communication Arts.

Miss During's goals include enhancing communication between the college and its alumni and developing ways for our alumni to continue to benefit from all that St. Joseph's College has to offer.

Frank B. Mulzoff

Suffolk Athletic Director Resigns

It was announced recently that St. Joseph's Athletic Director at the Patchogue campus, Frank B. Mulzoff, resigned his post, effective March 5.

Frank began his career at the College's Suffolk campus in 1980, as coach of the men's basketball team. In 1986, "Coach" assumed the position of Athletic Director. For the past 13 years, Frank dedicated himself to developing a strong, competitive athletic program...an effort which helped the college establish its 11 men's and women's teams in the NAIA and CACC. These achievements are "firsts" in the history of St. Joseph's.

Knowing that in order to succeed, we must first believe we can, Coach Mulzoff truly "believed" in the athletic program at the Patchogue campus. For this faith and for his personal commitment, the College will be forever indebted to him. We wish Frank every blessing in his future endeavors.

Seniors Shine...As Students, As Neighbors

Two Patchogue students, Donna Geraldi and Judith Ashby, were cited as "stand-outs" in their areas of expertise and community involvement.

Donna, a senior, recently appeared on the popular "Maury Povich Show". Though speaking about self-defense is not a new experience for her, the program provided a unique opportunity to reach a much larger audience. She demonstrated ways for people to protect themselves in life-threatening situations.

A former NYC Transit Police Officer and NYC Police Academy Instructor, Donna applies her many years of experience to instructing others in the art of self-defense, physical education, and physical fitness. She has held seminars in self-defense for the Professional Secretaries Association, the Shirley Public Library, and Brookhaven National Laboratory.

Presently, Donna and her husband, Al, also a former NYC Transit Police Officer, own the Okinawan Martial Arts Academy in Lake Ronkonkoma.

Judy Ashby, also a senior, participated in a round table discussion concerning media-related topics at the annual Eastern Sociological Conference held in Baltimore, Maryland.

There, Judy presented her senior thesis entitled, "A Replication of Irving Goffman's Gender Advertisement Extended To Business Periodicals". As part of her study, Judith analyzed almost 400 advertisements to ascertain any difference in the frequency with which men and women appeared in the ads, and whether they were being portrayed in a dominant or subordinate role.

Judy applies the knowledge she has acquired as a sociology major to real life situations. As a volunteer with the Victim's Information Bureau of Suffolk, Judy speaks to high school and college students about domestic violence and rape. In addition, she is on call at hospitals to serve as a companion to people admitted in crisis.

Donna demonstrates a technique with fellow instructor, Sal Gulotta.

A Time Of Challenge - A Time Of Success

Graduation is a time of confusion and apprehension for many seniors. They find themselves worrying about the future...unsure of what it holds for them. But for senior biology major Kaye Nembhard, the future isn't so daunting. In fact, she is looking forward to graduation and attending medical school in the fall.

The last few months have been hectic, but very exciting for Kaye. She has applied to many medical schools throughout the country and has even visited and been interviewed by several of them. Her list of acceptances, to date, include Harvard, Mt. Sinai, Downstate, New York U., Howard U. - and her first choice, Washington U., in St. Louis. One could definitely say that Kaye has many options!

However, success isn't new to Kaye. She is a regular on the Dean's List in Brooklyn, and currently ranks among the top five percent of minority students nationwide. While going to school full-time, she manages to work at Pfizer as a laboratory technician.

During the Gulf War, Kaye served in the Army Reserves as a medical laboratory technician, during which time she gained valuable knowledge and experience.

Although Kaye looks to her future with hope and confidence, she will miss St. Joseph's where she has accumulated fond memories and strong friendships. "St. Joseph's has given me a sound academic education and has prepared me for my upcoming career. I'm ready for whatever the future has in store."

College Hosts Open Houses

Both campuses have welcomed more than 1,000 visitors to their open houses and receptions.

Brooklyn Campus

•In February, a Winter Open House was held, despite the harsh weather. Many students and parents from the N.Y. area were in attendance. The day included tours of the campus, presentations on departmental offerings, financial aid workshops and a question and answer session with S. George.

•High school seniors, receiving SJC scholarships, along with their families, were invited to attend a reception held in their honor. The students and parents had the opportunity to talk with faculty, administrators, and students about life at St. Joseph's.

•Phi Mu, the SJC Chapter of Phi Alpha Theta, recently inducted the following students: Denise Heisler, Gianna Lundy, and John Vollaro.

Patchogue Campus

•In March, the Spring Open House was held for prospective students. More than 400 students, parents, and friends visited the lakeside campus to learn more about SJC and its course offerings, student life, and extracurricular activities.

•A Phi Mu Induction Ceremony was held and 8 students met the requirements for membership. The '94 inductees are as follows: Aimeemarie Bany, Rosetta Bonventre, Steven Cheeseman, Kimberly Gambin, Laura Heiden, Tanya Marie Pasquarella, Daniel Radzicki, and Christopher Taliercio.

As the warmer weather approaches, St. Joseph's prepares to take to the green for its Fourth Annual Golf Tournament. The Tourney will be held on Monday, June 27, at Southward Ho! Country Club in Bay Shore, NY. This annual event raises funds for the college's scholarship and athletic programs.

Preparations for the tourney are being made by a committee of over 30 prominent corporate and business men and women. Jay Starr of Chase Manhattan Bank serves as the tournament's General Chairperson.

For information or a reservation, contact the college's Development Office at (516) 447-3265.

Theatre & Dance Are "What's Happening"

Theatre and dance are among the arts that continue to flourish at St. Joseph's.

In March, the Oona Haaranen Dance Company returned to the Brooklyn campus for its second annual dance concert. The performance, entitled "Scenes from Infinity", chronicled special dances ranging from the Baroque period to the present.

Ms. Haaranen is a dance teacher at SJC and a member of the dance faculty at City College. In the finale, the dancers performed her original work reflecting modern life entitled, "Personal Fulfillment, Inc.".

In April, the Chapel Players (Brooklyn) presented playwright Neil Simon's Broadway hit, "The Prisoner of Second Avenue". Seniors Michael Satira and Milena Kotrch, who have been involved with the Chapel Players since their freshmen year, progressed from working behind the scenes to taking center stage in this production. Michael played the role of Mel Edison, a nervous middle-aged executive who suffers a nervous breakdown following much misfortune, and Milena played his wife.

At the Patchogue campus, the Clare Rose Playhouse has showcased performances of "The Nerd", "Four For The Evening", and "Nunsense II". Tickets are still available for the remaining two productions of the 1993-94 season at the Playhouse.

Playwright Eugene O'Neill's compelling work "A Moon For The Misbegotten" will be performed from May 6 to May 22. The show schedule is as follows: May 6, 7, 13, 14, 20, and 21, at 8 p.m. and May 8, 15, and 22, at 3 p.m. All proceeds from the May 13, performance will be donated to the Always Spring Foundation, a not-for-profit organization whose primary purpose is to provide independent housing to individuals who are HIV+/AIDS diagnosed.

Playwright Neil Simon's comedy hit "Barefoot In The Park" will run from July 8 to July 24. Performances will be held on the following days: July 8, 9, 15, 16, 22, and 23, at 8 p.m. and on July 10, 17, and 24, at 3 p.m.

For information or to make reservations call the CRP Box Office at (516) 654-0199.

Faculty News & Notes

The distinguished faculty at both campuses have been hard at work presenting lectures, discussions, and coordinating seminars on a variety of topics.

•S. Mary Maier, Chairperson of the Chemistry Dept. (Brooklyn), coordinated a program in polymer chemistry for 18 college students. The 4-day program was sponsored by Polytechnic University.

•S. Mary also presented the keynote address at the International Woode Foundation's Inaugural Scholarship Dinner Dance in March. This professional organization devotes its efforts and funds to provide scholarships for students, qualified in the sciences, at Nazareth High School.

•Dr. Richard Torz, Assistant Professor of Economics (Brooklyn), chaired a session on Industrial Organization at the 20th Annual Eastern Economic Association Conference held in Boston in March. Dr. Torz is also listed in the current edition of ***Who's Who in Finance and Industry***.

•Dr. Lorraine Boykin chaired a session on "Spirituality and Gerontology in Higher Education" at the 20th Annual Meeting of The Association of Gerontology in Higher Education, held in Cleveland, in March.

•Members of the 88th Precinct Police Dept. turned out to hear Eileen Mullen speak about the SJC Law Enforcement Grant Program at a recent Cultural Awareness Seminar.

•Dr. William Bengston, Professor of Sociology (Patchogue), spoke at a meeting of the New York Area Skeptics held at the Plainview Library. He presented a discussion on "The Sociology of the Paranormal". NYASK is a non-profit organization dedicated to the advancement of reason, science, and intellectual responsibility.

Focus On Endowment

As the College continues its efforts to increase the Endowment Fund for scholarships, financial aid grants, and special programs, it has enjoyed tremendous support and encouragement from numerous quarters...alumni, trustees, faculty, staff, corporations, foundations, civic associations, private organizations, and other friends.

After the first three quarters of the current fiscal year, figures indicate that more than $295,000 in pledges/gifts has been received for these purposes—$139,000 to meet The Calder Foundation Challenge Grant (with a goal of $500,000 in three years), $150,865 for general scholarships and aid grants, and $5,135 for special projects. (This generous response has boosted the total endowment by 59%.)

Total giving for all purposes equalled $892,888 (including the Calder pledge)...with alumni contributing 28% of that amount.

Trustees Luncheon - In March, the Trustees held their 17th Annual Luncheon at the Brooklyn Club. Over 100 guests attended, contributing $19,000 to benefit SJC's scholarship program. Co-chairing the event were Trustees Anthony DiBrita (Senior V.P., Brooklyn Union Gas) and Peter Maguire (President, PCM Construction) and William A. McKenna, Jr. (Chairman, President & CEO, Ridgewood Savings Bank). Shown here are Brooklyn Borough President Howard Golden with Sister George and Thomas A. Doherty, President, Chairman and CEO of Fleet Bank, and Chairman of SJC's Board of Trustees.

King Kullen Grant - St. Joseph's College is the recipient of a $50,000 grant, to be paid over a ten-year period, which will be used to fund a restricted endowment for the purpose of providing financial assistance to qualified students in the Business Administration Program. Awards will be based on scholarship and need...with recipients designated as "King Kullen Scholars". (This pledge is not included in the third-quarter figures noted above, since it was received in April.)

Knights of Columbus Breakfast - Recently, the Patchogue Knights of Columbus (Council #725) held a Communion Breakfast at its regional hall and presented a $1,000 gift to the college. Joan Farley, Associate Director of Financial Aid, received the contribution from Charles Brady (Administrative Assistant to the State Deputy) and PGK FDD Dick Carrabus (Business Manager).

Electronic Stock Transfer- Since many alumni and friends find gifts of stock a convenient, tax-wise method of supporting SJC, the College is prepared to accept these gifts electronically. Please call the Development Office at (718) 636-6880 or (516) 447-9283 for information regarding this process.

There Are Many Ways To Help St. Joseph's College Build Its Endowment Fund

- *Gift of Cash or Securities*
- *Gift of Personal Property*
- *Pooled Income Fund Gift*
- *Gift of Life Insurance*
- *A Charitable Gift Annuity*
- *Gift of Real Estate*

If you have included a bequest to the College in your will, or if you plan to do so, please inform us, so that we may acknowledge your generous intent and provide assistance in planning, if needed.

Mark S. Rose

Honoree Named

Mark S. Rose, Chairman of Clare Rose Inc., President and Chairman of Clare Rose Nassau, and a member of the College's Board of Trustees, will receive SJC's Distinguished Citizen Award at its 12th Annual Dinner Dance scheduled for Saturday, October 15, at the Crest Hollow Country Club.

Each year, this major fund-raising event draws more than 500 guests and raises significant funds for the College's scholarship and building programs.

A graduate of Siena College, Mr. Rose serves on its Board and has served on the Boards of the Hewlett School and the Leway School. He is past-president of the Blue Point Lions Club and has chaired the South Brookhaven Heart Fund Dinner Dance. He has been honored by such groups as the Cooley's Anemia and Muscular Dystrophy Foundations.

Mr. Rose is affiliated with Quickway Courier Service, Rose Spice Inc., and Apple Sports Inc.

A Tee At The Tourney

You may not be able to play in this year's Golf Tournament at Southward Ho! Country Club, but you can be there...with your interest in, and support of, SJC visible to 140 golfers representing businesses, corporations and professional groups throughout the New York metropolitan area.

A contribution of $150 will entitle you to a beautifully crafted sign to be placed on one of the 18 tees, with your name, or your firm's name.

This gift will be acknowledged in writing and is fully tax deductible.

Just send your check, payable to St. Joseph's College Golf Tournament, with the sign copy to: St. Joseph's College, Development Office, 155 W. Roe Blvd., Patchogue, N.Y., 11772.

Alumni Luncheon Fetes Anniversary Classes

(Photo Left) Pictured with S. George are alumnae Jane Cozzi Murray '69, from Belgium, and Terri Barnao Turilli '74, from Texas. (Photo Right) S. George thanks Luncheon Co-Chairpersons, Ann O'Connor Gallagher, Carolyn Hill Dalton and Eileen Feeney Smith, all '59ers.

More than 400 alumni attended a reunion luncheon at the Garden City Hotel. Special honors went to members of the Class of '44 in recognition of their Golden Jubilee and to the Class of '69 for their Silver Jubilee. These classmates were only outdone by a small group of alumnae from the Classes of '34 and '24 who were enjoying their 60th and 70th anniversaries. Also marking an anniversary were the Classes of '29, '34, '39, '49, '54, '59, '64, '74, '79, '84, and '89.

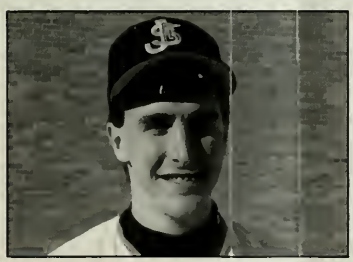
The majority of attendees at these alumni reunions are from the Brooklyn campus, however, S. George noted in her address that the number of alumni representing the Patchogue campus is on the rise. Susan Burke '68, President of the Alumni Association, also addressed the large gathering.

Manhasset *Soiree...*

More than 30 alums, spanning 7 decades, gathered at the beautiful North Shore, L.I., home of Ellen Farrell '70 in mid-March to catch up on SJC news from Sister George and other college administrators.

Here, Kathleen Schaeder Mongno '65, Helen Krajilic Ilijic '59, and Anita DeSantis '91 share some happy memories.

The next alumni reception will be in Garden City, at the home of Mary McGrover Peyton '59. A June date is being planned.



Robert Crowley, Jr. '91

An Act Of Heroism

Robert Crowley, Jr., a 1991 graduate of SJC in Patchogue, encountered a crisis during his morning commute that resulted in an act of heroism.

The vehicle in front of Robert's went into a skid, crashed through the fence surrounding Patchogue Lake, and hit the cold water at almost 25 ft. from the shore. The female driver was trapped inside as her car began to sink. Unable to open the power windows, the woman broke the glass with a crowbar. The chilly water caused her to suffer from hypothermia, impacting her ability to swim. Robert, an experienced lifeguard, dove into the lake and brought her to safety. He then assisted her in summoning help. She was treated at a hospital and released.

"I didn't think about being a hero. I just jumped in and did it. I'd like to think someone would do the same for me," said Robert.

SJC Alumni Gather In Florida

In March, while everyone else was suffering through yet another snowstorm, alumni in Florida were enjoying the warm, balmy Florida sun and the company of former classmates at the beautiful waterfront home of Jeanne McGuire Glenn '69 in Ft. Lauderdale. The day began with a Mass celebrated by Fr. McDonnell, and then continued with a reception. S. George Aquin and S. Mary Florence Burns flew to Florida for the event, as did Margaret Minson, Alumni Director.

One of the highlights of the day was Jeanne Mirenda Harrigan '67, arriving with the gold initial pin that was presented to her 25 years ago by the class of 1970.

Another of the highlights was the magnificence of Jeanne's home. In it, her husband, Bill, built a 2,000 pipe organ that is so expansive, an extension had to be built on the house! It is uniquely created, using the pipes of many different organs, and is a truly wonderful sight.

Special thanks to Maria Falconetti '70, Denise DiMare Caruso '85, and Lillian Santoro Signorelli '43 who made phone calls and sent letters inviting alumni. Associate alumna Rose Mary Zenobia, Pres. of the Opera Society, was present. She hopes to set up an event for the alumni at the opera sometime in the future. The Florida alumni hope to initiate a Florida chapter soon.

Guests at Mass...with pipe organ in background.

Dorothy Harold McNeil '33, and Dorothy Maguire Lisle '35 enjoy a bite and catch up on some news.

Brooklyn Athletics News & Notes

The past few months have seen many changes at Brooklyn's athletic department. From a successful men's basketball season...to new exercise equipment...to plans for three new women's athletic teams, many have been hard at work to make it all happen.

Practice paid off for the Brooklyn Bears as they enjoyed a 15-win season, defeating such teams as CCNY, Baruch, SUNY Purchase, and Bard. Coach Fr. Charles Sullivan's prediction, in the beginning of the season, set the tone for the Bears' success, "I think we're going to do very well this year—the players are a good group with a lot of spirit."

The women are joining together to get what they have always wanted...sports teams! This year, a women's softball team has been formed consisting of 10 members. Other teams in formation include women's basketball and volleyball.

SJC Grants Three Honorary Degrees

In June, SJC held three commencement ceremonies at two campuses, graduating a total of 610 students... and conferred honorary degrees on noted speakers Wesley D. Ratcliff, President and CEO of Advanced Technological Solutions, Inc.; Sister Isolina Ferre, founder of the Sister Isolina Ferre Centers in LaPlaya, Puerto Rico; and Dr. Irwin Kellner, Chief Economist of the Chemical Banking Corporation.

The Valedictorian for the Div. of General Studies in Brooklyn was Hazel Scott-Downing, an R.N. in the surgical unit at St. Luke's Roosevelt Hospital. Her degree is in community health.

S. George, Board Chairman Thomas A. Doherty, Wesley D. Ratcliff, and Dr. T. Travis, Dean of General Studies

Lori Torone, an English major with a minor in secondary education, served as Valedictorian at the Brooklyn Arts and Sciences ceremony. A graduate of the College's prestigious Honors program, Lori plans to teach.

Valedictorian at the Patchogue commencement was Richard Walz. Richard received his degree in social science.

Salutatorian at the Patchogue campus was Edward W. Smith. Edward was granted a B.S. in management of human resources.

Almost 70% of SJC grads attend graduate or professional schools. The following are among the most notable acceptances:

Margaret Drozdowski has been accepted into four prestigious dental schools.

John Godino has been accepted at the New York Medical College, Valhalla, on a full Armed Forces scholarship.

Kaye Nembhard has been accepted into a record number of medical schools—7.

Richard A. Walz will attend Tulane Law School. He was also accepted into 7 additional prestigious law schools.

Michael Gadjos has been accepted into Touro Law School on a 50% merit scholarship.

New Accelerated College Program—Every Third Weekend

St. Joseph's Div. of General Studies in Patchogue has recently received approval from the N.Y. State Education Department for an innovative new program. The Accelerated Weekend College is intended for mature individuals with career and family responsibilities who wish to obtain a bachelor's degree or certificate but find it difficult to attend day or evening classes. By attending classes approximately every **third weekend** in a **trimester schedule**, these students can earn up to **27 credits per year**.

Accelerated Weekend College aims to provide adult students with an opportunity for personal and career development. Student achievement is fostered in an environment that encourages self-directed learning supported by a structure of relationships and ongoing advisement. This new option promotes a balance between a traditional classroom experience, rich in interactive learning techniques, with an Independent Learning Component, adapted to the goals of each student. These Independent Learning Components insure that the accelerated courses are equivalent to traditional courses, yet tailored to the individual needs of the adult learner.

Applicants wishing to pursue a bachelor of science degree in health administration or the management of human resources, or a certificate program in health care management, management, human resources, leadership & supervision, data & information processing, or home care administration in the Accelerated Weekend College, must satisfy the admission requirements for the degree or certificate program, as well as possess the maturity and background to undertake this challenging academic format. Students may supplement their trimester credit with credit by examination, prior experiential learning assessment credit, video course credit, or by enrolling in additional evening courses.

Two New Members Elected To St. Joseph's College Board of Trustees

Thomas A. Doherty, Chairman of SJC's Board of Trustees, and Chairman, President, and CEO of Fleet Bank, recently announced the election of two new Trustees, Dr. Paula Hooper Mayhew and S. Kathleen McKinney, C.S.J., to the College's Board.

Paula Hooper Mayhew, the V.P. for Academic Affairs and Dean of the Faculty at Marymount Manhattan College, is a well-known leader in higher education and enjoys an enviable reputation in the world of academia. A professor of English literature, she received her A.B. from Barnard College, Columbia U., and her M.A. in English and comparative literature from Columbia University. Dr. Mayhew earned her M.A. and Ph.D. in English literature from Princeton University.

A Woodrow Wilson Fellow in 1966-67, Paula Hooper Mayhew has received many awards for excellence in English. In 1966, she received the Allison Prize for Excellence in English Literature from Barnard College; in 1967, she received the Highest Commendation in English and Comparative Literature from Columbia University, and was a Princeton University Fellow in the Department of English Literature.

Dr. Mayhew also served on the Middle States Commission on Higher Education as the Associate Director and Director of International Education Assessment.

Presently at Fontbonne Hall Academy, S. Kathleen McKinney is the Assistant Principal, Moderator of the Student Activities Council, and teacher of physics. A life-long educator dedicated to innovative and creative program development, Sister has taught science at SJC and at Adelphi University, has been a member of the Middle States Steering Committee for The Mary Louis Academy, and has taught chemistry, physics, and computer programming there.

S. Kathleen received her B.A. from SJC in 1971. In 1975, she earned her M.S. in natural science from Adelphi U., and in 1990, she was granted a P.D. in administration and supervision. In April, S. Kathleen became a Doctoral Candidate at St. John's U. in administration and supervision.

In addition to her activities at Fontbonne Hall, S. Kathleen is a member of the American Chemical Society, the Assoc. for Supervision and Curriculum Development, the National Catholic Educational Assoc., and the National Assoc. of Secondary School Principals.

"We are honored to have these two superb educators join the Board," said S. George. "The College is in the midst of an unprecedented period of growth and development. The expertise that Dr. Mayhew and S. Kathleen McKinney bring will help provide leadership for many years to come."

Garden City Alumni Reception

(Photo Left) Mary and Bob Peyton welcome S. George and S. Mary Florence Burns. (Photo Right) Christine Inguanta Cote '91 and Sharon Scaturro Justvig '79 chat on the patio.

On June 13th, Mary McGrover Peyton '59, invited alumni to her lovely Garden City home. More than 30 alumni spanning five decades were in attendance. Many of the Garden City alumni greeted each other with the comment, "I never knew that you went to St. Joseph's."

S. George Aquin O'Connor, S. Mary Florence Burns, S. Elizabeth Hill '64, Rosalie Tutino '59, and Margaret Dwyer Minson '70 represented the College.

The next reception will be held on September 14th at the Port Washington Yacht Club.

Any alumni who are interested in hosting a reception in their area, either in their home, or in a public facility, please contact Margaret Minson, Dir. of Alumni Relations at (718) 636-6882. The College helps to defray the costs of these receptions.

Chapter Officers

The following were recently elected as officers of the Suffolk Chapter of SJC's Alumni Association and are now serving their two-year term: Dr. Frank Favazza, President; Shawn Ryan, Vice President; Florence Biancardo, Secretary; and Laura Schoendorf, Treasurer.

Dr. Favazza, a biology major and a member of the Class of '87, is a successful chiropractor in Patchogue.

Shawn Ryan, Class of '91, graduated with a Bachelor of Science Degree in business administration. He currently works at Kings Park Psychiatric Center.

Florence (Brunelle) Biancardo, a graduate of the child study program and a member of the Class of '92, is a special education teacher.

Laura Schoendorf, also a member of the Class of '92, is a graduate of the Division of G.S. She is a nutritionist and runs a successful local nutrition-related business.

The officers will be meeting during the summer months to plan activities for the upcoming academic year.

Master Teachers' Seminar

As part of SJC's commitment to promoting faculty development, the College held its first Master Teachers' Seminar at St. Joseph's Villa in Hampton Bays. More than 20 educators from both campuses attended this 3-day conference to reflect on their classroom methodology and exchange ideas to improve their effectiveness.

Since 1990, over 100 educators have been involved in a Suffolk Community College (SCCC) sponsored Master Teacher Seminar. The interest and enthusiasm of SJC attendees prompted the facilitators to offer a seminar exclusively for SJC faculty.

The goal of the seminar was to explore ways to improve teaching at the college level. Over the years, this movement has found that one of the best ways to improve teaching is to create an informal setting for the sharing of talents and experiences of the participants.

Key to the effectiveness of this seminar is the role of the facilitators. **Photo below**: S. Jean Marie Amore, Academic Dean, with facilitators Carolyn Gramling (SCCC), Dr. Marilyn Kalyvas and S. Miriam Honora Corr (both from SJC) and Peter Herron (SCCC).

SJC - LIU MBA Fast-Track Program

From L-R: LIU Academic V.P. Jones; S. George; LIU Dean Sanator; and S. Jean Marie Amore.

On May 16, the College concluded an agreement with Long Island University's (LIU) Brentwood campus regarding a special Fast-Track MBA program. Under this agreement, all holders of an SJC bachelor's degree in business administration or accounting, who have met certain other requirements, will be admitted to LIU's uniquely designed **Fast-Track MBA program.**

In order to be accepted into this new program, SJC graduates must have an undergraduate grade point average of at least 2.7, completion of the GMAT examination, a personal interview, and a letter of recommendation from St. Joseph's business or accounting department. Further, if SJC graduates have completed certain undergraduate courses, most of which are already required for a bachelor's degree, they need only take 12 graduate courses, for a total of 36 credits, to earn the MBA. LIU's program was created so that these 12 courses are completed in 16 months. In addition, holders of an SJC bachelor's degree, who enroll in graduate programs at LIU's Brentwood campus, will receive a one-third tuition discount.

On hand for this signing were, from SJC, S. George Aquin O'Connor, President; S. Jean Marie Amore, Academic Dean; Sal Rumore, Chairperson of the Accounting Dept.; Stan Fox, Ass't Professor of Business; and from LIU, Dennis Payette, Provost; Robert Sanator, Dean of the College of Management; Walter Jones, Academic V.P.; and Marlyne Hynds.

Plans Underway For Spring '95 Walkathon

The Suffolk Chapter of the SJC Alumni Association is seeking members to serve on the committee to help plan the College's first Walkathon. The event will be held at the Suffolk campus and is slated for Sunday, April 23, 1995 (pending approval of the required Village permit). Committee members will meet beginning in September.

Anyone interested in serving on the Walkathon committee should send his/her name, address, day/evening phone numbers, and the best day and time for attending meetings to the Alumni Office.

Two contests—one to design a logo and one to write a slogan—for the Walkathon are being conducted. Participants may elect to enter one or both of these competitions. A committee will select one logo and one slogan from among the entries submitted.

Prizes will be awarded to the winners and runners-up. The winning logo and slogan will appear on the Walkathon's promotional materials. All participants will receive recognition for their efforts.

Logo designs must identify the College. The artwork must be in black and white and submitted on a 5" x 7" (preferred) or 8 1/2" x 11" sheet of paper. Slogans must be original concepts, for example, "Sole to Soul". Please include name, address, phone number, and year of graduation.

The Patchogue Alumni Office should receive all entries by July 29. Winners will be announced in September.

Send requests for membership on the Walkathon committee and contest entries to St. Joseph's College Alumni Office, 155 W. Roe Blvd., Patchogue, N.Y. 11772.

Brooklyn Bits.....

• The pre-kindergarten students in the Dillon Center presented their version of "Robin Hood" in May, along with the help of their parents and teacher Louise McVicker. It was a splendid performance.

• In June, S. Mary Maier, Chairperson of the Chemistry Dept., Dr. Ronald Rinehart, Assistant Professor of Chemistry, and senior, Jennifer Rapuzzi, attended the annual awards ceremony for 3 outstanding members of American Women in Science. The event was held at the N.Y. Academy of Sciences.

• This June, the second group of students graduated from the College's Honors Program. Upon successful completion of the program's requirements, these students receive a special notation on their transcripts. Senior Honors Theses were presented at a special convocation in May by seniors Patricia Andersen, Denise Heisler, Mona Kolenda, and Anne Tavani from the Child Study Dept.; Hatel Naik, Chemistry Dept.; Frank Spinner, Biology Dept.; and Lori Torone, English Dept.

Focus On Endowment

Many alumni and friends of the College have expressed a desire to participate in a planned giving program which provides increased income from current assets and investments while assuring SJC of a meaningful contribution at the time of their death.

This commitment to make a contribution is accomplished by employing the benefits obtained through unique income tax and financial planning alternatives. If you have similar goals, the following is a brief look at giving options which may be of interest.

Charitable Remainder Trust

A Charitable Remainder Trust is a planning vehicle which offers significant income and estate tax advantages to you and your heirs. In addition, it helps assure a continuing flow of capital for the growth of the College that is above and beyond current gifts and donations which meet today's needs.

Under this method of giving, you establish a trust for your benefit and/or that of a chosen beneficiary. You retain an income from the trust for the remainder of your lives. Upon the death of the trust beneficiaries, the remainder interest of the remaining assets in the trust pass to St. Joseph's College.

Contributions to the trust may be made in any amount, for example, $500...$1,000...$10,000...$1,000,000, etc. In most instances, donors fund their trusts with appreciated assets (stocks, bonds, real estate, etc.) which may be either retained or sold by the trust. Since the "Remainderman" of the trust, St. Joseph's College, is a charity, there will be no income tax recognized on the sale of any appreciated assets that you place in the trust.

The full value of the assets that are placed in the trust will remain in the trust...and, since no tax is ever paid on the sale of the assets, the total value of your contributed assets will generate income to you and/or your beneficiary substantially greater than if you chose to sell your appreciated assets without utilizing a Charitable Remainder Trust.

Upon depositing assets into a CRT, you will receive a charitable deduction based on the present value of the remainder interest of the properties or assets placed in the trust. This charitable deduction may be applied against current income taxes or carried forward into future years, if the full amount of the available deduction is not used in its entirety.

HOW YOU MAY BENEFIT FROM A CHARITABLE REMAINDER TRUST

- **Guaranteed increased income for life**
- **Substantial income tax savings**
- **An attractive rate of return on assets placed in the trust**
- **Elimination of capital gains taxes**
- **Lifelong income for your loved ones after your death**
- **Elimination of estate and inheritance taxes**
- **Professional asset management of your contribution**
- **The knowledge that you are helping to provide a quality educational environment for future generations of St. Joseph's College students**
- **Permanent and immediate recognition of your generosity in your name and/or in memory of your loved ones**

We would be pleased to provide you additional information on how you may generate more retirement income for yourself, pass a larger inheritance on to your heirs, and create a substantial gift to St. Joseph's College by utilizing the benefits offered by passing your appreciated assets through a Charitable Remainder Trust. Please contact us at: St. Joseph's College, Development Office, 245 Clinton Avenue, Brooklyn, N.Y. 11205, (718) 636-6880 or 155 W. Roe Blvd., Patchogue, N.Y. 11772, (516) 654-3602.

King Kullen Award—S. George accepts first payment of $5,000 toward King Kullen's 10-year, $50,000 pledge for the Endowment Fund from Thomas K. Cullen, Vice President for Government, Industry, and Public Relations. The income will be used for scholarships for business administration majors.

Grant Highlights....

- **SJC Alumni Association**: A pledge of $10,000 and the first payment of $5,000 has been given in support of the Louis Calder Foundation Challenge Grant. This contribution is possible through the proceeds of alumni events...raffles, luncheons, etc.
- **Estate of Margaret Crowley '26**: A bequest of $15,376 has been received by the College.
- **Pfizer Corporation**: $12,090 in Equipment has been donated for the benefit of the Chemistry Department. Maria Ortiz-Myers '92 assisted in bringing us this gift.
- **The Dorothy Setzler Foundation**: A 1:3 Challenge Grant in the amount of $1,000 has been awarded to the Dillon Child Study Center. If you are interested in helping meet this challenge, contact the Development Office at (718) 636-6880 for details.

- **Chase Manhattan Bank**: Through the Chase Neighborhood Grant Program, a grant of $1,000 has been awarded for "Spotlight on Children", a program of the Clare Rose Playhouse for children in the Town of Brookhaven. Also, Chase has given $500 in honor of Jean Tuthill, former Suffolk County Treasurer, for a scholarship on the Suffolk campus.
- **The D'Addario Foundation**: The Music Department in Patchogue was granted $500.

Record Numbers Enjoy SJC's Fourth Annual Golf Tournament

On June 27, 139 avid golfers gathered at the Southward Ho! Country Club in the early morning mist. Although the weather reports were dire, the sun broke through the clouds and at tee-off time, a perfect day began.

The highly successful day was chaired by Jesse "Jay" Starr, V.P. of Chase Manhattan Bank, N.A. Underwriting most of the gifts, prizes and awards were Prize Co-Chairpersons Tim Moran of Apple/Dorson Sports and Larry Zimmerman of Larry's Golf Shops. John Rosman of Chase served as Tee Sponsorship Chairman; Trustee Herb Brauer was Raffle Chairman; and Bill Gibney of Fleet Bank chaired the reservations aspect of the tourney.

Almost $59,000 was raised for the benefit of the College's scholarship and financial aid program and for the athletic dept.

Thanks to all who participated in this fun-filled event...the golfers...the tee sponsors...the raffle buyers...and the volunteers who made it a great day for the College.

Don Lizak Appointed Athletic Director At Patchogue Campus

S. George recently announced that, effective July, Donald L. Lizak, Metropolitan P.G.A. Tournament Director and well-known sports figure, will assume the position of Athletic Director at the Patchogue campus.

For the past 30 years, Mr. Lizak has been involved in the metropolitan area as an athlete, coach, and administrator. He played baseball, basketball, and football during his high school and college career and played professionally for the Montreal Expos Baseball Club. He also has participated in the Nassau County Men's Amateur Golf Championships, the USGA Mid-Amateur Championships, and the LIGA Men's Amateur Championships.

Don began his coaching career as basketball coach at Archbishop Molloy High School and for the next twelve years, he coached basketball at St. John's U., Southampton College, Wagner College, Queens College, and LIU. He was also Assistant Basketball Coach of the Polish National Olympic Team and Golf Coach at Southampton College.

Mr. Lizak has spent a considerable amount of time as a college administrator. He was Director of Athletics at Southampton College and Asst. Athletic Director at both Wagner and Queens Colleges.

Active in the National Assoc. of Basketball Coaches, Don has been a member of the Metropolitan Basketball Coaches Assoc., and the ECAC Committee on Amateurism. He has served on the NCAA Division II District II Basketball Advisory Committee.

Don and his wife, Laurie, reside in Westhampton Beach.

SJC President Announces Expansion Plan

At a recent College-wide Planning Day, Sister George Aquin O'Connor announced plans for the expansion of facilities at the Patchogue Campus necessitated by the unprecedented growth there.

The most immediate need is more classrooms; therefore, the current gymnasium (which is not a regulation college-sized gym) will be renovated into at least eight classrooms, with the possibility of a student lounge area and a meeting room.

The construction of a new gym/recreation/health facility is on the planning board for 1996. As part of this planning phase, a number of College administrators and trustees have conducted fact-finding tours of several gymnasiums and health facilities at colleges with populations and needs similar to St. Joseph's. Pictured above, second from left, Richard M. Dickerman, V. P. for Finance and Admin. Treasurer for Mount Saint Mary's, welcomed SJC administrators Don Lizak (Athletic Director), Sister George Aquin, Sister Elizabeth Hill, John Roth, and Sister John Raymond McGann on such a visit.

This renovation and construction is part of a ten-year Master Plan recommended by SJC's Planning Committee made up of administration, faculty, and staff. ❐

College Reports Highest Enrollment Year

St. Joseph's College now records its largest enrollment ever—3,632...a 14% increase over last year. This enrollment figure includes both Arts & Sciences and the Division of General Studies.

At the Suffolk Campus, the total student population has grown to 2,303...a 13% increase over last year and a whopping 609% increase since the campus opened 15 years ago. In Brooklyn, enrollment has had an even more dramatic rise...increasing 16% over last year...and now totaling 1,328.

"This remarkable growth has resulted from a number of factors...from a rich tradition of academic excellence dating back to 1916, to exciting new programs and a focus on each and every individual student," said S. George Aquin O'Connor, President. "A key element to this success is the impressive beginning of the Accelerated Weekend College Program in Patchogue...with 76 students enrolled."

SJC's Division of General Studies reports an increase in enrollment of 8% in Patchogue and an astonishing 20% in Brooklyn this year.

The nursing program reports a 17% increase in Patchogue and a record 31% rise in Brooklyn. ❐

Sister Angela Gannon, C.S.J., Elected Trustee

Thomas Doherty, Chairman of St. Joseph's College Board of Trustees and Regional President of Fleet Bank, announced the election of a new trustee, Sister Angela Gannon, C.S.J., to the College's Board.

S. Angela, recently elected General Superior of the Sisters of St. Joseph, Brentwood, is a well-known leader in religious education. She spent many years teaching at the elementary, secondary, and graduate levels, and also served as the Associate Superintendent for Religious Education and Christian Formation for the Diocese of Brooklyn from 1980-88. ❐

Both campuses held activities to welcome new & returning students for the Fall '94 semester.

Memorial Mass For Dr. John Seekamp

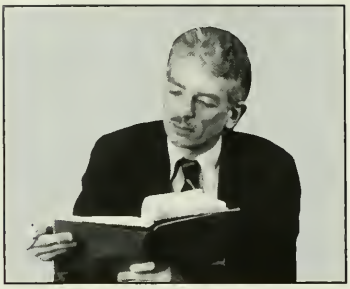
A Mass was offered in the College Chapel in memory of Dr. John Seekamp, Associate Professor of Spanish, who died in July. Dr. Seekamp joined the SJC faculty in September, 1978, and served as Chairperson of the Modern Language Department for many years.

At the liturgy, which Dr. Seekamp's mother attended, several faculty members and former students shared their thoughts and memories. Many attended the Mass. ❐

Lecture Series

Early childhood specialist Nancy Balaban gave the Founders' Day Lecture at the Brooklyn Campus. Her topic "Caring for Children/ Caring about People" was well received. A leader in the field of early childhood education, Professor Balaban is currently the Director of the Infant and Parent Development Program in the Bank Street College Graduate School of Education. There, she supervises teachers of young children, teaches courses, and co-directs the annual June Infancy Institute.

Also at Brooklyn, the Political Affairs Club began its monthly lecture series in October. Dr. Richard Torz, Assistant Professor of Economics, spoke about the President's Health Care Plan. ❐



Brooklyn Gym Renovations Complete

Renovations in the gymnasium at the Brooklyn Campus are complete. The gym floor was refurbished with hard wood and freshly painted with the SJC logo. During the summer, the men's and women's bathrooms were redone and new workout equipment was brought to the locker area. ❐

Common Hour: Forum For Education & Recreation

Linking the SJC community together, Common Hour provides a forum for a wide range of events. The Brooklyn Campus has already held several diverse activities this school year.

In September, the fraternity and sorority, Psi Phi Omega and Beta Upsilon Delta, sponsored a well-attended lecture on sexual harassment.

Sister Elizabeth Mullane, R.N., M.S., spoke about caring for HIV infected children at "Someone I love has AIDS". The Chapel Players and Science Club sponsored this discussion.

In October, the Science Club sponsored a Harvest Festival. Students participated in unusual recreational activities including sumo wrestling (pictured at right).

Sherrie Van Arnam, Director of Student Services, feels Common Hour, "... is becoming more and more important because it is the only time during the week when students and faculty are free to meet and enjoy performances, lectures, and other events."

Future Common Hours include a Circle K auction, a reading by Louise Rose (faculty), a self-defense demonstration, and the annual Christmas tree lighting. ❐

Reception...Luncheon...Day For Alumni

In September, alumni from Manhasset, Port Washington, and New Hyde Park gathered at the Port Washington Yacht Club for an evening of memories and fun, as pictured above. Eileen Mahoney Hoban '50 organized this delightful evening.

In October, 175 alumni gathered at the beautiful Hudson River Yacht Club in the World Financial Center for the annual Fall Luncheon. The day was enjoyed by all. Thank you to Mary Jane Hawkrigg Handal '51 and Sister Kerry Handal '81, who chaired this event for the second consecutive year.

Also in October, more than 100 alumni attended Alumni Day at the Brooklyn Campus. The day began with a Mass celebrated by Fr. James Collins and was followed by brunch, classes, games, and a barbecue. ❐

Challenge Alert

SJC's effort to meet the Calder Foundation's $250,000 Challenge Grant reflects good news and bad news.

The good news is that, in one year, $234,000 in pledges have been raised toward the $500,000, three-year goal.

The bad news is that, in the second year of this challenge to support scholarship endowment for financially disadvantaged students at the Brooklyn Campus, fewer donors are directing their gifts to this vital part of our overall fund raising effort.

"Ideally, we would like to complete the challenge this year," said S. George Aquin. "There are so many other needs to be met in the future...we must secure this endowment structure now."

Please assist us by making a gift designated "to meet the Calder Challenge". ❐

Mentoring Program

St. Joseph's Serving America's Children Club at the Patchogue Campus sponsored training in the NYS Mentoring Program. The program is designed to implement one-on-one intervention to help children in grades K-8 improve their self-esteem and encourage personal growth.

A NYS representative trained approx. thirty SJC students who will work with children from Patchogue-Medford Eagle Elementary School, cooperating with the school's psychologist and social worker. These dedicated students will volunteer one hour a week reaching out to positively affect the lives of local school children. ❐

Dr. Jeanne Hughes-Cuozzo, psychologist, Patchogue-Medford S.D.; Linda Monaco, Pres. of SJC S.A.C.C.; Lori Mastromauro, NYS Mentor Training Coordinator; and Pam Maple, V. P. of SJC S.A.C.C.

Clare Rose Playhouse Starts 10th Season

S. Grace Edna Rowland, director of the Playhouse, with Mark Rose, SJC trustee and one of the theatre's benefactors.

This year marks the 10th season that the College's Clare Rose Playhouse, located on the grounds of the Patchogue Campus, has presented quality productions in its intimate picturesque theatre. The Playhouse began its 1994-95 season with the wonderful musical *Closer Than Ever*, which was followed by the Pulitzer prize-winning comedy *Lost In Yonkers*.

In time for the holiday season, the Playhouse will present *Raggedy Ann and Andy*, an adventure for the child in all of us. Raggedy Ann, America's most endearing and enduring folk doll, comes to life in a free-wheeling romp through which shines her gentle, loving spirit. This production will be followed by a visit from Santa Claus. Performances will be held on Dec. 3, and 10.

The Fantasticks, the longest running musical in the world about life, love, romance, and relationships, will begin its run on Feb. 17. Performances will be held in Feb. and March.

The final two productions are the rib-tickling comedies *Lend Me A Tenor* in April and May, and *California Suite* in July.

For information and reservations, call the Clare Rose Playhouse at (516) 654-0199. ❐

Theatre In Brooklyn

The Chapel Players at Brooklyn presented *Phaedra*, Richard Wilbur's brilliant new translation of Racine's tragedy of passion and guilt. The play centers on Phaedra, wife of the king of Athens, who falls passionately in love with her stepson, Hippolytus. Chaotic events are set in motion after her husband is rumored dead following a long absence.

For information on the Chapel Players contact the College at (718) 636-6800. ❐

Suffolk Alumni Celebrate Homecoming '94

Pictured is Dr. Frank Favazza (L), president of the Suffolk Chapter of SJC Alumni Association, with actor Walter Koenig (R).

St. Joseph's College was recently visited by actor Walter Koenig, best known for his portrayal of "Pavel Chekov" in the popular Star Trek television series and motion pictures. Leaving the Starship Enterprise, Mr. Koenig *beamed* to the Patchogue Campus at the invitation of the SJC Alumni Association, Suffolk Chapter, to participate in St. Joseph's Homecoming festivities as one of its guest speakers.

Mr. Koenig discussed his acting experiences, writing for books and television, and the psychology behind the character that he played for many years. Joining Mr. Koenig was writer Peter David, author of Next Generation Star Trek novels and one of the most respected comic book scripters. Mr. David has also written screenplays for films and television series, including the popular show BABYLON 5.

The program concluded with an autograph signing session and a raffle. The event was enjoyed by people of all ages, from young children to senior citizens.

In addition to the stellar lecture program, the day's activities included an alumni baseball game, alumni vs. faculty tennis tournament, women's volleyball game, and a men's soccer game. ❐

First Non-Violence Award Presented

Sister Helen Prejean, Pulitzer Prize nominee and author on the subject of the death penalty, along with Carolyn McCarthy and Thomas McDermott, victims of the infamous LIRR shootings are the first recipients of St. Joseph's "Non-Violence Award". This honor was bestowed at the Patchogue Campus following an inspiring lecture presented to students and faculty.

Sister Helen shared her experiences as a death row counselor and her ideas on a very timely topic— the death penalty. She is the author of *Dead Man Walking: An Eyewitness Account of the Death Penalty in the United States*. Steps are underway for the film version starring Susan Sarandon with Tim Robbins directing.

Thomas McDermott is a shooting victim of the LIRR attack which took place last year. Carolyn McCarthy's husband was killed and her son, Kevin, was seriously wounded in the random shooting. Since then, Mr. McDermott and Mrs. McCarthy have been outspoken in their views about gun control. ❐

Thomas McGonigle, author; Carol Sawyers, Asst. to the Dir. of Student Services; and S. Loretta McGrann and Dr. Monica Brennan, faculty, share a moment.

Author Returns To Patchogue & Visits St. Joseph's College

Thomas McGonigle, author of *Going to Patchogue*, a novel about a man's hometown visit in his attempt at self-discovery, recently returned to Patchogue once again. Mr. McGonigle met with students and staff at the Patchogue Campus for an informal discussion about his experiences and the art of writing, followed by a reading from his novels. ❐

Conference Held

The Patchogue Campus recently hosted the Northeast Regional Conference of the *Conference on Christianity and Literature*. Scholars from around the country presented on such diverse topics as Medieval Literature, The Catholic South, and John Milton and Irish Literature. ❐

Volunteers Needed

The Suffolk Chapter of the SJC Alumni Association needs volunteers to serve on the planning committee for the College's first Walkathon. Please contact the Patchogue Alumni Office at (516) 447-3215 if interested. ❐

Alumni, administrators, faculty, and staff from Arts & Sciences and General Studies gathered at the Brooklyn Campus for four consecutive evenings in October for the annual fall Phonathon pledge drive.

Brooklyn Fall Phonathon Well Supported!

The dedicated volunteers called several thousand alumni and raised more than $56,000 in pledges! Our sincere thanks to all those who gave so generously of their time and support.

The Patchogue Campus will conduct its Phonathon drive in the spring. ❐

Charitable Acts Are Part Of The Total SJC Educational Experience

The college aims to prepare students for a life characterized by integrity, intellectual and spiritual values, social responsibility, and service. In accomplishing this goal, students are encouraged to commit to participation in community service. To this end, charitable projects are ongoing at both campuses. Three such activities were recently conducted at the Patchogue Campus.

Students and faculty gathered for their 4th annual "Homeless Sleepout". Sponsored by the Psychology Club, the Sleepout is an effort to raise funds and draw attention to the plight of the homeless. This year's proceeds were donated to the Wyandanch Homes and Property Development Corp. which builds low-cost housing for the homeless. The fund raiser also benefited Hope House Ministry's Pax Christi Hospitality Center, a homeless shelter in Port Jefferson.

The Circle K Club held its 3rd annual dinner dance at the Anthony Terino Lodge in Mastic Beach. The club presented a check for $1,267 to Hope House Ministries. More than 200 people met for an evening of fun for a worthy cause.

On Halloween, the Biology Club sponsored a blood drive. Donors included students Joseph Taliercio and Danielle Diorio who are shown with Mary Von Karentzel, a volunteer. ❐

St. Joseph's 12th Annual Dinner Dance

St. Joseph's College 12th annual Dinner Dance was held on October 15, at the Crest Hollow Country Club in Woodbury. Approximately 500 people attended the gala event which raised more than $200,000 for the College's Scholarship and Financial Aid Program.

Mark Rose, Chairman of Clare Rose, Inc. and a trustee of SJC, was the honoree. Ken Meyer, Vice President of Clare Rose, Nassau, served as General Chairman. ❐

Sister George presents the Distinguished Citizen Award to honoree Mark Rose.

Mark enjoys a moment with the Clare Rose Playhouse dancers who performed that evening.

Peter Maguire, President of PCM Construction, Inc. and donor of a week's trip to Marco Island, Fl., with raffle winner Michael Maryzek and dinner chairman Ken Meyer. Peter also serves as a College trustee.

Corporate support was key to the dinner's success. Here, Jay Starr of Chase Bank presents a check for $2,800 as an SJC sponsor to Rosalie Tutino, V. P. for Development & College Relations.
